Screenshot Evidence:

The screenshot shows the Birla Opus checkout interface. At the top, there's a navigation bar with links like COLOUR, TEXTURE, FOR DESIGNERS, PRODUCTS, BRANDS, IDEAS, PAINTING MADE EASY, and SHOP. Below this, a progress bar indicates the current step is 'Address'. The main content area is divided into two columns. The left column contains the 'Shipping address' form with a dropdown menu showing 'home:om patil' and fields for address, city, state, and pin code. Below this is a 'Billing address' section with radio buttons for 'Same as shipping address' (selected) and 'Use a different billing address'. A 'GSTIN (Optional)' field is also present. A yellow 'Proceed to shipment' button is at the bottom of the left column. The right column features a green coupon '10%OFFFIRST100' saving ₹194, a 'Remove' button, and a cart summary table. The table lists 'Subtotal (Exc. Tax)' as ₹1936, 'Coupon discount' as - ₹194, 'Taxes' as ₹314, 'Shipping' as 'Calculated after next step', and 'Total' as ₹2057. Below the table, it states 'Your order will be delivered in 3-5 business days' and shows a product 'Callista Neo Star 1ltr' with a price of ₹457.

Item	Price
Subtotal (Exc. Tax)	₹ 1936
Coupon discount	- ₹ 194
Taxes	₹ 314
Shipping	Calculated after next step
Total	₹ 2057

Then User clicks on the Edit button to update the shipping details.

And User enters a valid first name for the updated shipping address

And User enters a valid last name for the updated shipping address

And User enters a valid mobile number for the updated shipping address

And User enters a valid shipping address "Mumbai"

And User clicks on the Submit button to update the details.

And User clicks on the Proceed to Shipment button

Then User clicks on the Proceed to payment button

Feature: To Validate the Shop Happy End-to-End Product Journey Flow for an Existing User

Scenario: To verify the end-to-end product journey through the checkout process with valid data for a logged-in user using the search bar

Then the total payable amount should be correctly calculated and displayed

Screenshot Evidence:

The screenshot shows the Birla Opus checkout page. At the top, there's a navigation bar with links like COLOUR, TEXTURE, FOR DESIGNERS, PRODUCTS, BRANDS, IDEAS, PAINTING MADE EASY, and SHOP. Below this, a progress bar indicates the current step is 'Address'. The 'Shipping address' section has a form with a checked checkbox for 'home:om patil', followed by the address 'Mumbai, Pune, Pune, Mumbai, Maharashtra, 400066' and PIN '8208025065'. There's an 'Edit' button. Below this is a link to 'Add another address'. The 'Billing address' section has two radio buttons: 'Same as shipping address' (selected) and 'Use a different billing address'. There's also a 'GSTIN (Optional)' field. A yellow 'Proceed to shipment' button is at the bottom. On the right, a coupon '10%OFFFIRST100' is applied, saving ₹128. A summary table shows: Subtotal (Exc. Tax) ₹1280, Coupon discount - ₹128, Taxes ₹207, Shipping (Calculated after next step), and Total ₹1359. Below the summary, it says 'Your order will be delivered in 3-5 business days'. At the bottom right, a product 'One Pure Elegance Matt 1ltr' is shown with a quantity of 2 and a price of ₹755.

And User clicks on the Proceed to Shipment button

Then User clicks on the Proceed to payment button

Feature: To Validate the End-to-End colour swatch journey flow for a logged-in user, including adding and removing colour swatches and managing the wishlist.

Scenario: To verify the end-to-end colour swatch journey through the checkout process with valid data for a logged-in user through navigation

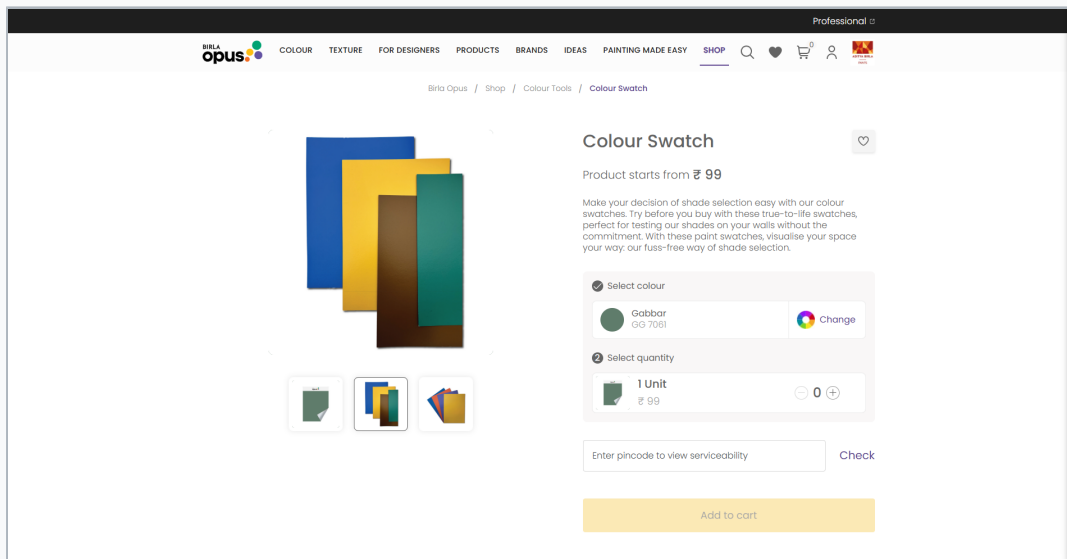

Then User selects Colour for colour swatch "Rose dust"

Error Details:

Screenshot Evidence:

The screenshot shows the Birla Opus website. The header includes the Birla Opus logo and navigation links: COLOUR, TEXTURE, FOR DESIGNERS, PRODUCTS, BRANDS, IDEAS, PAINTING MADE EASY, and SHOP. A search icon is also present. The main content area features a large banner with the text "Need an end to end solution?" and "Discover our comprehensive services and curated products for all your painting needs". Below this is a "Frequently Asked Questions" section with three questions: "How are your painting services different from others?", "How do I identify what my painting requirement is?", and "What is the difference between interior and exterior paint?". On the right side, there is a "Get in touch" form with fields for Email ID, Pincode, and a checkbox for "I agree to Terms of Conditions & Privacy policies". A yellow "Submit" button is at the bottom of the form.

Feature: To Validate Store Locator Functionality

Scenario: To verify store locator displays results for valid pincode

And User clicks on the submit button
